What our clients are saying about us

**Premier Health
Care Services, Inc.**

Premier Health Care Services, Inc., specializes in Emergency Medicine Solutions for hospitals. We staff more than 40 hospitals in seven states with Emergency Department volumes ranging from 10,000 – 70,000 patient visits per year. We are very

proud to have such strong partnerships with our client hospitals. We feel the testimonials given from our client hospital administration, including CEO's, ED Nurse Managers, and our own Medical Directors, give a good solid picture of what you can expect when partnering with Premier Health Care Services. We strive to provide the best in Emergency Department leadership and management, along with providing quality physicians. Our attention to detail regarding customer service, education, physician billing and community involvement truly defines the philosophy of our company.

“We are very impressed with Premier’s attention to the details of linking the ED to the rest of the organization. Premier does what they say they’re going to do.”

*Patrick Garrett, President & CEO
Battle Creek Health System, Battle Creek, MI
Premier client since 2008
ED Visits: 55,000*

“Premier provides our Emergency Department and Urgent Care patients with extraordinary care and service while maintaining outstanding patient outcomes and exceptional patient satisfaction. I am grateful for the learning experiences and networking opportunities that Premier provides to me and to the nursing staff at Hocking Valley Community Hospital.”

*Stacey Gabriel, RN, Emergency Department Director
Hocking Valley Community Hospital, Logan, OH
Premier client since 1996
ED Visits: 12,000*

“We chose Premier to help us with ED management and physician staffing. We were looking for knowledgeable physicians who have greater experience in taking care of not only large volumes of patients, but patients who have increasingly greater health needs.”

*Douglas W. McNeill, CEO
Atrium Medical Center, Middletown, OH
Premier client since 2002
ED Visits: 58,000*

“Premier stands out because they take the same approach to customer service as the hospital employees. Premier is the top group I’ve worked with in my over 30 years in the emergency field.”

*Larry Thornhill, President & CEO
Berger Hospital, Circleville, OH
Premier client since 1996
ED Visits: 32,400*

“I would definitely recommend Premier. UVMC was Premier’s first contract 21 years ago, and I was involved with the negotiation. Premier knows the business, and they know Emergency Medicine. Some of their biggest supporters here are UVMC’s physicians on the medical staff, and that’s quite a testimonial.”

*David Meckstroth, Retired CEO
Upper Valley Medical Center, Troy, OH
Premier client since 1987
ED Visits: 42,000*

“Premier physicians ensure they meet the clinical health care needs and personal expectations of each ED patient.”

*Lynn Oswald, Senior Vice President
Fort Hamilton Hospital, Hamilton, OH
Premier client since 1997
ED Visits: 46,700*

“Premier supports our ED with measurable standards of care, collaborative work with our staff on goals and standards, as well as collaborative work with our EMS personnel. The relationship that exists between Premier physicians and hospital administration is a very collaborative one, very mutually respectful. They are easy to work with, to establish the same goals. It’s a very good relationship.”

*Cindy Alloway, Vice President, COO
Alegent Health - Lakeside Hospital, Omaha, NE
Premier client since 2004
ED Visits: 18,500*

“When Premier partners with a hospital, they come not to just staff an Emergency Department but to grow a practice.”

*Jim Reber, CEO
